To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the
Government of Mysore,
Bangalore.

Sir,

Adverting to Government Order No.G.26566-625/P. & S. 8-19-49, dated the 27th May 1920, issuing instructions regarding economy in the issue of paper and other articles of stationery, I am directed to state that all the subordinate civil courts as well as the office of the Chief Court have been instructed to carry out strictly the directions of the Government laid down therein.

In this connection, I am to state that many of the subordinate civil courts have been complaining* (vide copies of communications enclosed) of the inadequacy of the supply of printed forms and registers from the Stationery Depot though they had indented for a sufficient number of them in their annual indents. The institutions of cases in the courts have risen by 50 per cent in the last five years. The non-supply or the inadequate supply of printed forms and registers has resulted already in the accumulation of office work and delay in the despatch of judicial work. Any curtailment in the issue, especially of forms, if carried too far, will, doubtless, hamper much more the work in these courts. I am therefore to request that as far as the courts are concerned, the indent of each court for printed forms &c. may be passed in full and the supply made regularly in future.

Further, I am to add that the Chief Judge during his recent inspection of the courts in Mysore saw some papers supplied for recording depositions of witnesses which is so absorbent that the District Judge complained it could not be used to make a record decently. He had to use a better quality of paper: and I am therefore to request that Government may be pleased to instruct the Superintendent of Stationery to issue a better quality of paper in future for this purpose.

I have the honour to be,
S i r,
Your most obedient servant,

S Sambasastri

R e g i s t r a r.

I have the honour to state that owing to the non-supply of the marginally noted Registers and Printed Forms indented for the current official year till now, the work of the court has suffered to some extent and the registering wor has entirely stopped and to request that early steps may be kindly taken for the supply of the same as the Superintendent has not been good enough either to supply them in spite of the requisitions sent to him (copies of which are herein enclosed) or even send a reply thereto.

Docket No.22 dated 12/13th January 1920 from the Officer in charge of the Central Records, Bangalore Division to the Registrar of the Chief Court of Mysore, Bangalore.

Has the honour to report that the records of cases disposed of in the court of the Munsiff of Kolar Gold Fields since January 1918 have not been sent to the Central Records. The Munsiff reports that he could not forward them for want of "Title pages." The Superintendent, Government Press was requested in this office No.3209/738 dated 11-2-1919 to supply the "Title pages" to the Munsiff. He does not seem to have done so. It is therefore requested that the Superintendent may be kindly asked to supply the "Title pages" to that Court without any further dela;

Letter No.354 dated 5th February 1920 from the Munsiff of Hole-Narsipur to the Registrar of the ChiefCourt of Mysore, B a n g a l o r e.

In submitting herewith, duplicate Indent for printed forms for the year 1920-21, I have the honour to state that, on account of heavy institutions, during the last calendar year, of suits and applications of all kinds in this court, I have claimed a larger quantity of forms and registers in certain cases than the average consumption for the past 2 years.

Since the work in this court has been suffering for the past about a year for want of sufficient supply of printed forms and registers from the Superintendent of Stationery, Bangalore, the Superintendent may be instructed to kindly order the supply of the quantity now claimed in the Indent.

Letter No.435 dated 27th January 1920 from the First Munsiff, Mysore to the Superintendent, Government Press, Bangalore, through the Registrar of the Chief Court of Mysore, Bangalore.

****

I have the honour to submit herewith a statement showing the Indents for Forms forwarded by this court for the years 1918-19 and 1919-20 and the number of forms supplied hitherto. It will be seen that the total of forms supplied/in the 2 years will not approach the indent for one of the years. The number of suits that are being filed and the number of disposals have increased by 50 per cent. All the old forms inclusive of soiled and torn ones have been used up. All the spare forms that could be got from other courts have been brought and used. In urgent cases manuscript forms have been written and issued. In heavy civil courts, such as this court every clerk is overworked and finds it difficult to keep his work current unless he works also in the mornings and on holidays. It is impossible to prepare forms in manuscript. I request you will be so good as to supply the forms immediately as per the indents of the two years in accordance with the accompanying statement The office work has already suffered considerably for want of forms. We have been necessitated to use Badami paper and blue judgment-paper for want of the coloured Title pages. This reference may kindly be treated as very urgent.

Registrar.

Letter No.416 dated 16th March 1920 from the Munsiff, Holo-Narsipur to the Registrar of the Chief Court of Mysore, Bangalore.

I have the honour to ~~xxxx~~ bring to your notice the fact that the work in this court has of late been steadily increasing from day to day on account of the abnormally heavy institution of suits and cases of all kinds in this court, the institution of suits and applications as it stood to-day during the official year 1919-20 being noted in the margin* for ready reference. **** **** ****

The accumulation of arrears of work is also partly due to the shortage in the supply of printed forms &c. from the Superintendent, Government Press, Bangalore. In more than 500 cases decrees have not been prepared for want of sufficient supply of forms Nos.15 and 17 Civil. The other forms that this court is direly in need of are noted in the margin* and the Superintendent was requested in this office Nos.270, 333 and 411 dated 4-12-19, 21-1-20 and 11-3-20 respectively to kindly order the supply of the printed forms therein stated, to which he does not seem to have paid any attention.

In these circumstances I would suggest that a reference may kindly be made to the Superintendent to kindly order the supply of the marginally noted forms at the earliest ~~possible~~ opportunity.
